Re: Elon University
Case 10-RC-231745

Dear Mr. Sands:

This is in response to Elon University's December 13, 2019 letter seeking to withdraw the portion of its Request for Review dealing with the Employer's Objections to Election filed on March 19, 2019. The request to withdraw is granted, and those portions of the Employer's Request for Review concerning the Employer's objections to election will not be acted on by the Board.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
